

Pagewood Matrville Masterplan

PRIMARY SCHOOL UPDATE JUNE 2021

Excitingly, plans are well underway to deliver a state-of-the-art, Preschool-Year 6 learning facility for the Pagewood and Matrville community.

The amalgamation of St Agnes' Catholic Primary School Matrville and Our Lady of the Annunciation Catholic Primary School Pagewood in January 2024 will bring together two schools communities with a shared history and charism of the daughters of Our Lady of the Sacred Heart.

This will provide families with purpose-built facilities and the opportunity to be a part of a school that will grow with them on their learning journey.

The new school will cater for 420 students in Kindergarten to Year 6 and will include an onsite early learning centre, as well as new shared parish facilities.

Construction will commence on the first phase, a new two-storey building with contemporary learning spaces, canteen and lift, in mid to late July 2021.

The new building will replace the existing primary block fronting Norfolk Lane.

New learning spaces will support flexible, contemporary learning with facilities allowing for larger learning commons, small groups and personalised settings.

Already contemporary learning practices are being shaped and implemented at both Our Lady of the Annunciation Catholic Primary and St Agnes' Catholic Primary in preparation for the new spaces.

The classroom furniture and layout at Our Lady of the Annunciation will be upgraded to match the design of the new facilities at the Matraville site, to ensure a seamless transition for students and teachers when the schools combine in 2024.

In mid-July, we are also commencing construction of our new hall and administration space located at the front of the school. As well as modern and welcoming facilities for our staff and visitors, the multipurpose hall will give us a contemporary space for indoor sport, performances, passive play, liturgies and awards presentations. This state-of-the-art hall will be shared with the parish of St Agnes', further strengthening our Catholic community relationships.

In 2022, the final stage will commence with a new three-storey building, featuring ground level parking, several open learning spaces and an early learning centre.

Sydney Catholic Schools is committed to ensuring

Be part of our thriving Catholic community!

St Agnes' Catholic Primary School Matraville and Our Lady of the Annunciation Catholic Primary School Pagewood are both accepting enrolments for Kindergarten 2022. Our schools share a learning philosophy and charism in preparation for the transition to our brand new combined school in 2024. Contact either school office or visit our websites for an enrolment pack, and grow with us!
